

Meadowland Credit Union Agreement for eStatement and/or eNotice Service

You have requested eStatement, eNotice and eCommunications, collectively known as “eServices”, provided by Meadowland Credit Union (Credit Union). (Or, you are using an online process to apply for your account in which case that account must initially be enrolled in the aforementioned eServices.) Online accounts may be un-enrolled by contacting us in a manner described in the section below entitled Cancelling your eServices.

This Agreement applies to eStatements, eNotices and eCommunications collectively known as “eServices”. The Service(s) are provided under the terms and conditions below.

I. Definitions

Account means a deposit account, loan account, other account at the Credit Union which you have enrolled in the eStatement service, or the eNotice service, or both. Not all account types at the Credit Union may enroll in a Service.

eCommunication can be any notice, disclosure, agreement, fee schedule, transaction or event record, invoice, response to claim or other communication regarding your enrolled Account that the Credit Union chooses to provide electronically instead of paper. An eCommunication is viewed by logging into Online Banking or via member email on file. An eCommunication may contain information that the Credit Union is required by law to give you, or information that the Credit Union chooses to give you.

eNotice means any eCommunication that is not an eStatement. (Please note that eNotice also includes any statement of transactions or balances in a loan account.)

Online Banking means the personal or business internet banking service in which your Account is already enrolled with the Credit Union.

Notification means an email that the Credit Union will send to an address specified by you, advising that a new eCommunication available for review in Online Banking.

Service means the eStatement service, or the eNotice service, or both, in which you have enrolled an Account.

eStatement means an electronic version of the paper periodic statement of debits, credits and balances that the Credit Union mails to you for a deposit Account that is not enrolled in the eStatement service.

eStatement also includes notices, disclosures and other information that would be printed on the paper periodic statement or enclosed with a mailed paper periodic statement. (Please be aware that a statement of transactions or balances in a loan account is deemed an eNotice rather than an eStatement.)

We, us and **our** each mean or refer to the Credit Union.

You and **your** mean or refer to the member of the Credit Union who enrolled the Account in a Service, and any co-owner of that Account.

*eServices-the paperless suite of services offered by the Credit Union Agreement and other communications.

II. YOUR CONSENT TO RECEIVE eSERVICES INSTEAD OF PAPER

By accepting this agreement during your online enrollment for these electronic services, you request and consent to the Credit Union providing you have selected for enrollment. Ordinarily, information provided in an eCommunication will not be sent to you or any co-owner of the Account by paper. Our eCommunications to you will for all purposes be deemed in writing.

(You can still request a paper copy of any specific statement, notice, disclosure, agreement or bulletin. You can also withdraw your consent eServices and resume receiving only paper. See terms and Conditions below.)

III. YOUR AGREEMENT TO OUR TERMS AND CONDITIONS

By accepting this agreement during your online enrollment for these Services, you accept and agree to the following terms and conditions for enrollment:

1. **Notification of eCommunication, and Reviewing it in Online Banking**

2. **Hardware and Software Requirements**

To use our eServices, you must have a personal computer or other access device capable of accessing the Internet with an Internet web browser that supports 128-bit SSL encryption. We support a current version of Internet Explorer. Other HTML browsers might be acceptable for using our Service(s). If your computer does not have a capable browser, you can download Internet Explorer at <http://www.microsoft.com/windows/internet-explorer/default.aspx>. You are also required to have email software and an email account with an Internet service provider.

3. **Viewing and Saving Copies of Communcations; Adobe reader**

To view and retain your Communcations, you will need a current version of Adobe Reader and the ability to download (to your hard drive, CD-ROM or other storage device) or print Adobe Reader files. If you do not have Adobe Reader, you can download it at www.adobe.com. You may keep copies of your eCommuncations for future reverences by saving them to your computer in the PDF format, by clicking on File and then Save As in your browser or Adobe Reader window.

4. **Email for Notifications; Updating Your Email Address**

When a new eCommunication is available for your Account, we send a Notification to the email address that you have provided to us for that specific purpose. (The email address you provide for Notifications will not replace other email addresses you may have provided for Bill Pay, MyAlerts or other Online Banking communications.) You are responsible for keeping us advised of your current email address for Notifications or eCommunication.

To Update your email address for eServices, please email, or stop into the Credit Union with your new address.

Notifications are deemed given, received and effective upon being transmitted by us. We have no obligation to monitor whether your email address remains effective, or whether you are receiving or reviewing your Notification. We have no obligation to send your paper versions of information form Notifications or eCommunication, or to take any other response, if we learn that you are not receiving or reviewing Notifications (e.g., if your Notifications are returned to us undelivered) or not reviewing eCommunications. If you are not receiving Notifications, or are unable to review eCommunication, or are unsatisfied with any portion of a Service, you are solely responsible for either updating your email address for Notifications in the manner described above, or cancelling your Service in the manner described below. Please be sure that any software filtering your incoming email is set to accept Notifications from the domain name enotices@meadowlandcu.org.

5. **Obtaining Paper Copies**

To obtain a paper copy of any specific eCommunication, contact Meadowland Credit Union by phone (920) 467-8105, or by sending a secure message through the Mail link with Online Banking.

Paper copies of past periodic eStatements are subject to the standard duplicate statement fee. There is presently no fee for obtaining paper copies of other kinds of eCommunications. (All fees are subject to change; our disclosure of fees as updated appears at <http://meadowlandcu.org/feeschedule.html>).

6. **Cancelling your eStatement service and/or eNotice service**

You may resume receiving statements, notices and other information by paper, simply by canceling your applicable eStatement or eNotice Service. To cancel a Service, contact Meadowland Credit Union by phone (920) 467-8105 or by sending a secured message through the Mail link on Online Banking. There is no fee for receiving eStatements or eNotices.

7. **Person Able to Access eCommunications; Security of Access Credentials**

On behalf of yourself and all other owners of the enrolled Account, you acknowledge and accept that anyone with access credentials (e.g., Login ID and Password) to log into your Account is able to read and copy the Accounts eCommunications. You, and co-owners of the Account, and any persons you or they entrust with access credentials, are responsible for protecting the secrecy of those access credentials and safeguarding them against misuse by authorized or unauthorized persons. You must immediately contact Meadowland Credit Union at (920) 467-8105 if you suspect any unauthorized access to a Service, other portions of Online Banking, or any Account.

8. **Miscellaneous; Amendments; Related Your Account Agreements; Disputes**

We reserve the right to determine which Account information will be provided by eCommunication rather than by paper, and the right to provide any information by paper, in addition to (or instead of) eCommunication despite enrollment in any Service. We may change those determinations, or suspend or terminate any Service or enrollment, at any time for any or no reason, with or without prior notice. (In addition, if an Account becomes delinquent, charged-off, blocked or frozen, it may no longer be accessible via online banking. eCommunication may no longer be available for that Account. If that Account is reinstated, you may need to reenroll it before its eCommunications will resume.)

This Agreement is an addendum that supplements, but does not replace, your Deposit Agreement, Online Banking service agreement and other agreements that you may have entered into that are applicable to your Account (collectively, Your Account Agreements). For example, see Your Account Agreements for information about your obligation to promptly review statements and report errors or unauthorized activity in your Accounts; your rights and our duties when you report errors or unauthorized activity; limitations on our liabilities and your remedies applicable to products and services (including these Services) that we provide in connection with Online Banking and Accounts; and terms governing the resolution of disputes, which include waivers of any right to trial by jury or to participate in call action, and may include requirements to submit to binding arbitration. Copies of Your Account Agreement are available at Meadowland Credit Union.

We may amend this Agreement (or change or establish fees) in the manner provided in the Your Account Agreement. We may give you notice of an amendment to this Agreement, or to Your Account Agreement, by eCommunication or any other manner permitted by law.

BY ACCEPTING THIS AGREEMENT DURING YOUR ONLINE ENROLLMENT FOR THIS SERVICE, YOU:

- ✓ **Affirm that you have read this Agreement;**
- ✓ **Agree to all the terms and conditions of this Agreement; and**
- ✓ **Affirm that your computer satisfies the section above entitled Hardware and Software Requirements.**

Online Bill Payment Service Agreement

This agreement establishes the terms and conditions between us (Meadowland Credit Union) (MCU) and you (accountholder) regarding our Online Bill Payment Service. You may make payments through our Online Bill Payment Service (SERVICE) to any business, person or professional (PAYEE) with a United States payment address that can be verified, if information is required based on the delivery method selected. SERVICE reserves the right to refuse to accept any bill payment transaction.

- a. Bill payments will be sent to the PAYEE either electronically via Automated Clearing House, or by paper check mailed to the PAYEE via the U.S. Postal Service. The choice of electronic or paper check is solely at the discretion of the SERVICE. Checks, electronic payments, and withdrawal orders of any kind can be drawn on your Account in any order. You should be aware that other transactions (such as ATM, telephone banking, online transfers or in-person withdrawals) may affect the amount of funds available to make your payment.
- b. PAYEES will rely on the information that you provide in the payment instructions. We are not liable for your errors while submitting payment instructions.
- c. Bill payments for alimony, child support, taxes, government fees, or court ordered payments are not always accepted. You can make these bill payments, but SERVICE does not guarantee that it will be accepted or posted in a timely fashion by the PAYEE. You agree to do so at your own risk.
- d. When you schedule a Bill Payment transaction, you authorize MCU to reduce your Account balance accordingly. If the available balance in the Account is not sufficient to make payments you have authorized, MCU may either refuse to pay the item or make the payment and thereby overdraw your Account. In either event, you are responsible for any insufficient funds and overdraft charges that may be imposed, as stated in the MCU's *Fee Schedule* and disclosure statements. MCU reserves the right to refuse to honor payment requests that may appear to be fraudulent or erroneous.
- e. We reserve the right to discontinue access to SERVICE, if the credit union suspects misuse or fraudulent bill payments. You will be notified of discontinuance.
- f. We will not be held liable for missed or late bill payments and associated fees due to SERVICE unavailability such as internet connection, etc.
- g. When a bill payment is scheduled, an estimated delivery date is given, based on the method of delivery being used to make the payment. However, payments should be scheduled at least five (5) business days before the business day on which a bill payment is due to ensure that SERVICE has sufficient time to process and deliver the payment. SERVICE is not responsible for payment delivery delays caused by the U.S. Postal Service or for payment processing delays after the PAYEE has received the payment. Any charges imposed as a result of your failure to transmit bill payment transactions at least five (5) business days before a payment is due are your responsibility. SERVICE's responsibility for any late payment beyond this timeframe is strictly limited to the late charge only, up to a MAXIMUM of \$50. The SERVICE is not responsible for finance charges, interest, indirect, incidental, special, or consequential damages related to the late payment.
- h. SERVICE may be used to authorize automatic recurring bill payments of repetitive bills. You may schedule recurring payments to be automatically initiated for a fixed amount on a weekly, biweekly, monthly, quarterly, or annual basis. The day on which the payment is to be sent is referred to as the "Date/Recurrence." If the payment date/recurrence is scheduled for a non-business day, it will be processed on the **prior** business day. A business day is every day of the week, except for Saturday, Sunday, and federal legal holidays.

- i. MCU reserves the right to establish limitations within the SERVICE in an effort to limit potential losses to you and the credit union due to fraud. Limitations might include number of transactions within a specified period of time, or maximum dollar amount of transactions.
- j. You agree to maintain protection over your online banking and bill pay access credentials. These credentials should not be provided to any party that is not an authorized party on your Account. There is significant risk to your Account and the funds you maintain in your Account, if you provide these credentials to those who are not authorized parties on your Account. The credit union has provided you with certain secure methods to access your Account while online. If you suspect that an unauthorized party has access to your online banking and bill pay, you must notify MCU immediately.

Stopping BILL PAYMENTS

The following steps must be taken to delete or stop pending bill payment:

- a. **Deleting Payments.** If you have scheduled a bill payment and would like to cancel the payment, you must do so in advance, before the payment is processed. The advance time required varies based on the payment method being used for the payment. If you cannot access the SERVICE to request that the payment be deleted, please contact MCU for further assistance, prior to the cut-off time of **1:00pm CT**. Our contact information can be found below.
- b. **Liability for Failure to Delete a Payment.** You cannot delete or cancel a bill payment the day of processing or after it has been processed. MCU is liable, only if you notify MCU at least one (1) business day or more before the scheduled payment date. Otherwise, MCU is not responsible for any indirect, incidental, special, or consequential damages, except to the extent such limitation of liability is not permitted by law.
- c. **Stopping Payments.** Once the bill payment has been processed, you CANNOT delete or stop any bill payments sent electronically. You *may* be able to stop a bill payment only if it has been paid by paper check. To stop a paper check bill payment, contact MCU. *MCU will only be able to stop the paper check payment if the paper check has not already cleared your Account and is able to process the stop payment request before the check clears.* To be effective, this type of stop payment request must precisely identify the name of the PAYEE, the Payee-assigned account number, payment amount and date you scheduled the payment to be processed. If you call, MCU will also require you to provide your stop payment request in writing within fourteen (14) calendar days after the day you called. If the written request is not received within fourteen (14) calendar days, the stop payment request will expire and will no longer be binding. MCU will charge your Account our regular stop payment fee for each item you request a stop payment for. MCU will not be responsible for failing to act on a stop payment if you do not give MCU the correct PAYEE information or if MCU does not have a reasonable opportunity to process the stop payment order.

Funds Availability Policy Disclosure

This Disclosure describes your ability to withdraw funds at Meadowland Credit Union. It only applies to the availability of funds in transaction accounts. The Credit Union reserves the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those disclosed in this policy. Please ask us if you have a question about which accounts are affected by this policy.

- When a deposit is made to your account, the funds may not be available immediately. For example, if you deposit a check on Monday, you may not be able to withdraw the funds from that check, and we may not pay another check with those funds, until Tuesday.
- When a deposit is made by electronic deposit, wire transfer or cash, the deposited funds are available the same business day.
- When a deposit is made by check, the deposited funds may be available the next business day.
- A business day is any day of the week except Saturday, Sunday and Federal Holidays. A deposit made before 5:30 PM is considered deposited that day. A deposit made after that time, or on a day we are closed is considered deposited the next business day.
- We may cash a check or make a deposit available immediately if you have the funds to cover that check in any of your accounts with us. If we do, we may hold those funds (equal to the amount of the check) in your other account(s) according to the timelines described elsewhere in

this policy. If you withdraw the funds from a check deposit, and the check is later returned unpaid, we may charge the check back to your account.

LONGER DELAY MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of check that you deposit, funds may not be available until the seventh business day after the day of the deposit. However, the first \$225.00 of your deposits will be available the next business day.

If we are not going to make all of the funds from your deposit available immediately, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- You are depositing to a new account;
- We believe a check you deposit will not be paid;
- You deposit checks totaling more than \$5,525.00 on any one day;
- You redeposit a check that has been returned unpaid;
- You have overdrawn your account repeatedly in the last 6 months; or
- There is an emergency, such as a failure of communication or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,525 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

In Case of Errors or Questions about Your Electronic Transfers Involving Consumer Accounts

Call us at (920) 467-8105 or write to us at: Meadowland Credit Union, P.O. Box 133, 1040 N. Main St, Sheboygan Falls, WI 53085 as soon as you can, if you think your statement is wrong or if you need more information about an electronic transfer covered by this Agreement which is listed on the statement.

If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we are not required to provisionally credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to provisionally credit your account for the amount you think is in error. Your account is considered a new account for the first thirty (30) days after the first deposit is made, unless you already had an established account with us before this account was opened.

When the investigation is completed, we will make any necessary or appropriate adjustments to your account. We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error or the error was different than you described, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.
